SC NEXUS for Advanced Resilient Energy

Consortium member locations

Clemson University

University of South Carolina

Savannah River National Laboratory

South Carolina State University

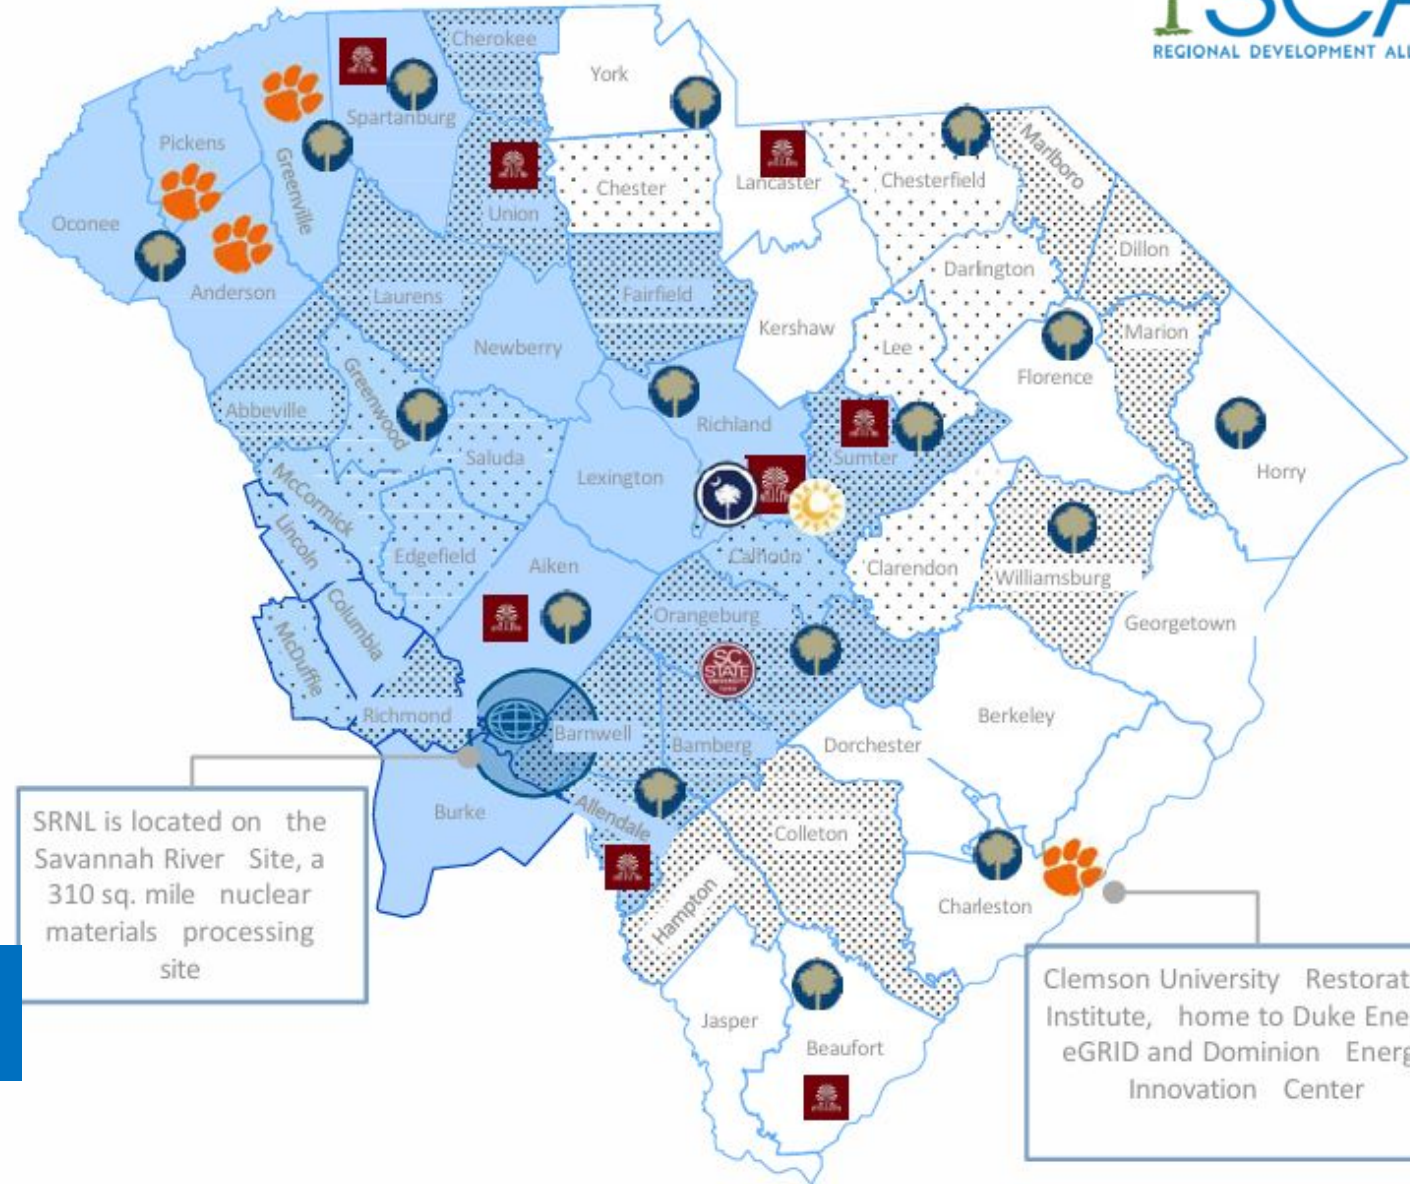

SC Technical Colleges

SC Department of Commerce

SC Council on Competitiveness

SRNL is located on the Savannah River Site, a 310 sq. mile nuclear materials processing site

Clemson University Restoration Institute, home to Duke Energy eGRID and Dominion Energy Innovation Center

66% of the Dept. of Energy's Savannah River Site is located in Barnwell and Allendale Counties

SOUTH CAROLINA ADVANCED TECHNOLOGY PARK EXPANSION

- Transfer 300 acres of SRS property south of the Barnwell gate
- Expands 1600-acre SCAT Park land and amenities
- Strengthens synergistic ties with Savannah River National Laboratory

SCAT PARK EXPANSION

- Transfer has been approved; due diligence should be completed by DOE in 2025.
- Funds are needed to relocate the SRS Barnwell Gate.

CYBER SECURITY PARTNERSHIPS

- Cybersecurity training and education relevant in the region as Fort Eisenhower is now home to the U.S. Army Signal School, the U.S. Cyber Center of Excellence, the U.S. Army Cyber Command, and a large sector of NSA Cryptologic Centers
- A Cybersecurity Associate of Applied Science (AAS) Degree offered by area universities; graduates will be prepared for technical positions in both business and government sectors
- SCA supports added funding in the form of federal grants for cyber security training at the University of South Carolina-Salkehatchie in Allendale County and at Denmark Technical College in Bamberg County

REGIONAL WORKFORCE TRAINING INITIATIVES

1. Collaboration with DEW to develop SCA's regional manufacturing workforce development strategic plan to align with the Unified State Plan for Education and Workforce Development (USP). DEW and SCA are partnering with this regional Pilot program.
2. Department of Energy – Environmental Management: SCA was awarded a \$1.9 million grant in September to renovate and upfit an existing building in Allendale County into a regional workforce training center to train craft workers needed for the DOE complex and for existing industries throughout the SCA region
